GOVERNMENT TEXT BOOKS

This is a reminder that the textbooks that were loaned to your child/children under the Government Textbook Programme need to be returned during the week before exams (with the exception of Science which will be collected separately after your child's Science examination).

Each text has your child's name written in it. Do remember that if a book is not returned you will be required to pay a fee to replace it, before your child receives any of these textbooks next year. Further information regarding this re-collection process will be provided in a subsequent notice. If you have any ideas or you can volunteer to donate an hour or two to help, please call Ms. Da Costa in the school's office at (624 1177 or 494 5441).

As always we look forward to strengthening our partnership with you in the best interest of our children.

Sincerely,

Tina Schuler (Ms.)
Principal
